Short Description

Cambridge Handpainted Cocktail Shaker

Description

Fantastic shape & quality all glass Art Deco cocktail shaker by Cambridge Glass of the USA.

Measures 12" tall.

It is a quality, clear glass Cocktail Shaker with frosting inside of the lid - which fits perfectly inside the body of the shaker.

A stunning look from its ball shape on the top to the curvaceous body. Features a hand painted, colorful Pheasant (signed Carwin (?)) on the shaker body.

The shaking takes place when the pour slots and vent holes in the top are against the sides of the shaker - To pour move the pour slots & vent holes to align with the pour spout.

Produces the cleanest tasting martinis.
