Short Description

Czechoslovakia Bohemia Pink Cocktail Shaker w/Handle

Description

A Czechoslovakian Bohemia art glass cocktail shaker 10 1/2" tall. Color is pink or maybe cranberry. The body of the shaker has vertical facets, a clear glass handle, and a glass mushroom top. The strainer is cork surrounded metal and there is a cork that seals off the strainer for cocktail shaking security. (The presence of so much cork suggests a 1920's cocktail shaker). There are no chips/cracks or repairs on the piece. It is etched on the base "Made In Czechoslovakia".
