Short Description

novelty Mid-Century Ashtray - Smoke comes out ears.

Description

A Great old ceramic hand painted odd novelty smokers ashtray. Probably Japan Mid-Century. This funny guy with mouth wide open serves as a comical cigarette ashtray. His mouth is open where you would rest your cigarette. The smoke from the cigarette will escape through the ear holes. C'est très amusant. No cracks or chips. This guy is about 5 1/2 inches tall. .
