Short Description

Chrome Parrot Bottle Opener & Corkscrew

Description

Beginning in 1929, the *Negbaur Manufacturing Company* of New York started manufacturing this spectacular chrome *Art Deco* parrot combination bottle opener, corkscrew, and ice cracker. Called *Polly Parrot*, the parrot's beak functioned as a bottle opener, the tail functioned as a retractable corkscrew, and the base served as an ice cracker. Signed on base.

Polly Parrot stands about 5 - 1/4 inches tall & is in excellent condition.
